

Please keep this form on file in your school. It acknowledges that all submissions for the Digies Digital Media Festival meet your district's policies regarding language and subject matter. In addition, all necessary permissions and guidelines required by your district for the use of student work have been followed as well.

This includes, but is not limited to: Student Release Forms, Copyright Permissions, AUP Compliance.

*Note: Because the Digies celebrates student classroom work, Fair Use applies in most cases in the area of copyright. Individual schools and districts may have their own guidelines which should also be followed as well.*
